In Association with IQAC, IIC & Pragyan Science Forum

Report on Guest Talk on Approach for Software Development & Maintenance

Date: 8th March, 2025

Place: Seminar Hall (NCMS)

Class: Final year BSC, BCA (F1 & F2), Second year BSC & BCA (E1).

No. of Participants: 150

Learning objectives:

- By the end of this session, students will be able to:
- Understand the Software Development Life Cycle (SDLC).
 - Explore Software Development Methodologies.
 - Learn Best Practices in Software Maintenance.
 - Understand the Role of Version Control & Documentation.
 - Gain Insights into Real-World Software Development.
 - Enhance Career Readiness in Software Development.

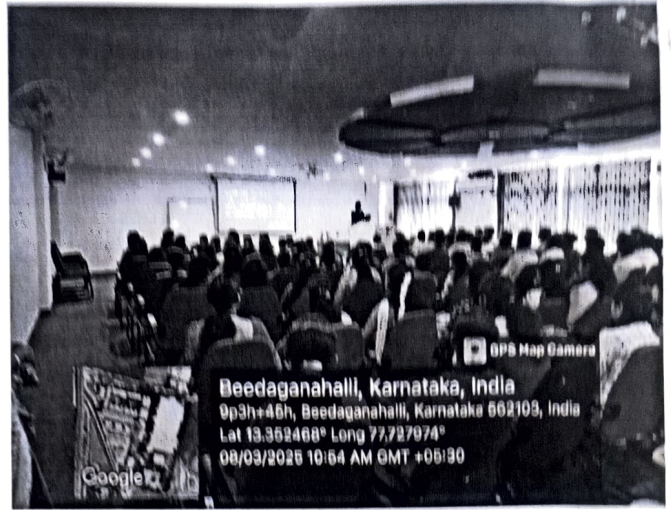

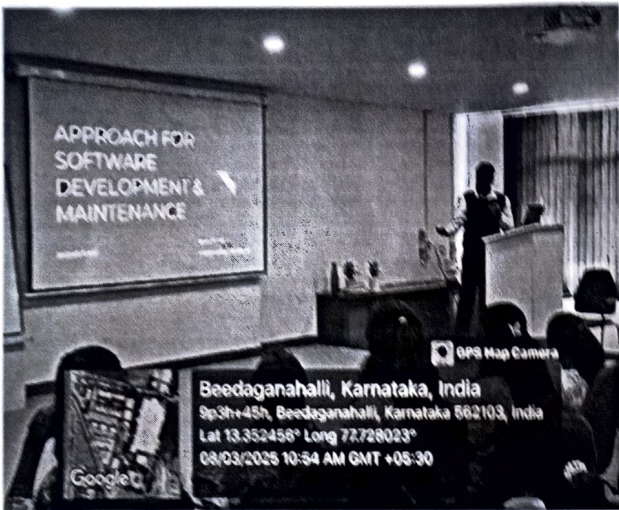

Brief write up about the program:

The IQAC and Pragyan Science Forum of Nagarjuna College of Management Studies jointly organized an insightful guest talk on "Approach for Software Development & Maintenance" on 8th March 2025 at 11:00 AM in the Seminar Hall. The session was delivered by Mr. Santhosh A, Senior Development Manager at Team Lease India Ltd., who shared his expertise on modern software development methodologies, best practices, and real-world industry insights.

The speaker emphasized key industry practices, including version control, documentation, debugging, and performance optimization, which are crucial for aspiring software professionals. The interactive talk also included discussions on career opportunities in software development, industry expectations, and essential skills required to excel in this field. Students actively participated in the Q&A session, gaining valuable knowledge and clarity on practical aspects of software development and maintenance.

Learning outcomes: After attending this session, students will be able to:

- Understand the Software Development Lifecycle (SDLC).
- Differentiate Between Software Development Methodologies.
- Gain Insights into Real-World Industry Practices.
- Enhance Career Readiness in Software Development.

FEEDBACK OF STUDENTS:

Was the session engaging and informative?
48 responses

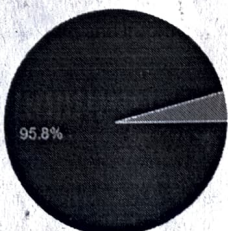

- Yes
- No

How relevant was the topic to your course and career goals?
48 responses

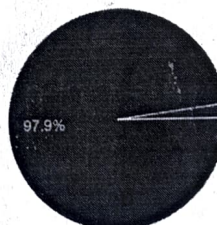

- Highly Relevant
- Somewhat Relevant
- Not Relevant

Did the speaker address all your questions effectively?
48 responses

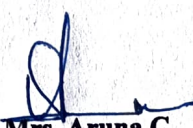

- Yes
- No
- Maybe

Did the speaker provide practical examples and real-world applications?
48 responses

- Yes
- No
