Report On

Guest talk – IPR Basics: Protecting Innovation & Creativity

Date: 13th February, 2025.

Place: Seminar hall.

Number of Beneficiaries: 116 Students.

Resource Person: Mr. Ajith S, IPR Cell Coordinator, Assistant Professor, Dept. of MCA, NCMS.

Objectives:

- To introduce students to the fundamentals of Intellectual Property Rights (IPR).
- To create awareness about the legal aspects of innovation and creativity.
- To emphasize the importance of protecting original ideas and inventions.
- To explain various forms of IPR including patents, copyrights, trademarks, etc.
- To promote a culture of innovation with legal safeguards.
- To educate students on how to file and secure intellectual property.

Brief write-up about the Program:

The Department of Commerce & Management, in association with the IPR Cell, organized a talk on “IPR Basics: Protecting Innovation and Creativity” on 13th February 2025. The session was conducted by Mr. Ajith S, Assistant Professor and IPR Cell Coordinator from the Department of MCA, NCMS.

The session aimed to enlighten students on the crucial role Intellectual Property Rights play in today’s innovation-driven world. The speaker explained the types of intellectual property, their relevance in business and academia, and the procedures to secure them. This initiative not only helped in spreading legal literacy but also encouraged students to think creatively with an understanding of their rights and protections under the law.

Learning Outcomes:

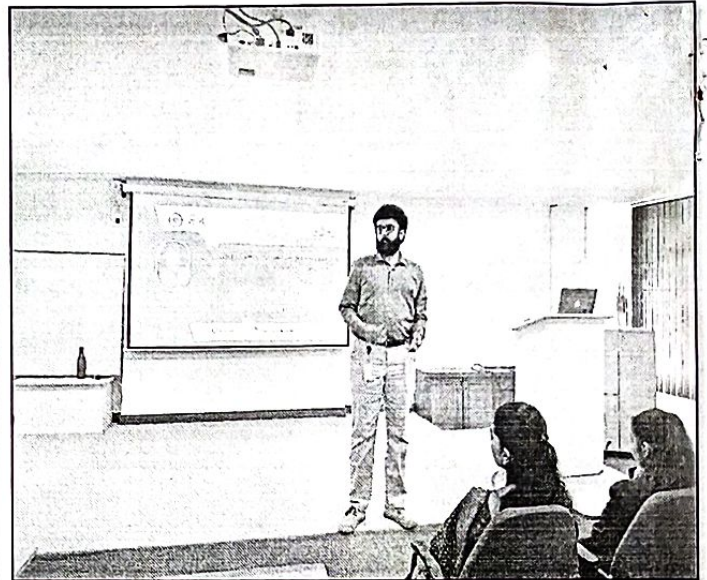

- Students gained an understanding of key concepts related to IPR.
- They learned the significance of IPR in protecting innovations and creative works.
- Awareness was created about different types of IPR Patents, Copyrights, Trademarks, and Designs.
- Participants understood the legal framework and procedures for filing IPR.
- The session encouraged innovation with an emphasis on securing rights.
- Students developed an appreciation for ethical and legal use of intellectual property.
